

MELANIE DICKS - 1st Assistant Director

2009 – Present

Melanie set up Greenshoot in 2009 to try and deal with the vast amounts of film waste that is landfilled every year. She has dedicated the last 15 months to Greenshoot and is currently working on the new Britishstandard 8909, a management framework for sustainable filming, as an Environmental Consultant. Greenshoot are currently working on “Sherlock Holmes 2”, “Johnny English Reborn” and “47 Ronin”. Greenshoot have diverted over 1,000 tonnes of film waste in the last 6 months that would have been landfilled.
